Help Us Bring Classical Music to Life!

Complete a guest conductor survey at any of the December, February, and April concerts to be entered into the drawing for a beautiful hand-painted violin celebrating our 51st season. Audience feedback will help the search committee reach a decision in May, when they expect to announce the new conductor.

About the VSA Logo

- Our logo was created to strategically identify our organization by name and infuse visual elements that distinguish our purpose, approach, and locale.
- The stylized treble and bass clefs integrated within the initials represent us as a musical organization.
- The five lines of the staff and double bar lines provide additional musical references.
- The staff also alludes to our locale, as the topmost line is a silhouette of the San Juan Mountain range that overlooks the Uncompahgre, Grand, and North Fork Valleys from which our musicians hail.
- The graceful, yet animated font used in the initials suggests approachable elegance, a visual nod to our main focus on classical music.
